ACC Tour Shuttles

Atlantic Canada Cycling offers a no-frills option to help participants get to tours. ACC uses a mix of its own vehicles, buses, taxis, and public transportation. Fees go to a fund to cover outside services when required. Bikes go in a truck, wrapped with blankets for protection.

Mixups happen easily! We have just one chance passing through to find you. It is important that you understand each item below!

- 1. Shuttles must leave at hours indicated to allow connections and for staff tour preparation.
- 2. Users are responsible for finding arrangements due to delays, cancellations, re-routings.
- 3. Refunds cannot be made past 72 hours prior to the shuttle.
- 4. Refunds made prior to 72 hours to the shuttle have portions involving third parties (ferries, hotels, chartered vehicles, etc.) in accordance with their refund policies.
- 5. Pre-tour lodging is the responsibility of participants. ACC staff have duties involved with tour preparations, and may not be available for driving about town looking into options.
- 6. Shuttle pickups in the Atlantic Provinces are on Atlantic Time - one hour later than Eastern Time. It must be kept in mind using watches, phones, and electronic devices.
- 7. Notification is needed before changing pick-up locations. Separate vehicles may be going to different pick-up places. Exact numbers may be accounted for and switching between airports and hotel stops, etc. may mean no room available.

Newfoundland Bicycle Tour

(Shuttle users are responsible for their accommodations at Deer Lake. Please reserve this well before the tour!)
This option is not for anyone in a rush. There are buffers included to allow for ferry issues and staff rest to ensure safe driving. The shuttle includes shared cabin accommodation on the ferry to Newfoundland, but not your accommodation before the tour at Deer Lake. For the return it includes indoor accommodation at Deer Lake after our trip ends and ferry cabin on board the ferry. Please reserve this shuttle well before the tour as ferry space fills up!)
